# #What's NFT ?

Begin

## ▣ Proof of Ownership

Like car licenses, house titles, patents, trademarks, copyrights, franchise rights, tickets, goodwill. And can be used according to the scope of use.

## ▣ The value of digital files

Because of its inability to tamper and copy, it realizes the scarcity and ownership of digital files. you actually own it all the time.

# #Mindtrix Platform

Collectors

Collect your favorite Podcast creations

## 🚩 Support your favorite podcasters

Helping Podcasters understand their audiences' interests and create more content they like. Isn't it far more meaningful than buying them a cup of coffee for a creator

## 🚩 Build and share your collections

You can share the essence of a single episode on social platforms, just like sharing a collection of music albums for everyone. Doesn't it sound cool?

## 🚩 Build a better community together

Find friends who like similar podcasts and contribute your thoughts to Mindtrix, we will build a better community together!
